Josh submitted ordinance 2023-01 for storm ditch maintenance. Michael explained that there are 8 designated outfalls that we are responsible for maintaining. There are maintenance issues with 2 of them since the ditches are steep and can't easily be maintained by the homeowner. The ordinance will allow the town to maintain them, but he asked Josh to make the ordinance as general as possible to avoid obligating the town to anything. The storm board already held a public hearing and approved the

ordinance. Michael explained that he's already worked it into his budget. Tonya suggested tiling it so eliminate costs. Ron said he'd like to see addresses and suggested charging homeowners for failure to maintain their storm system. Tonya suggested sending a notice through utility bills, but Sandy warned her that few people take the time to read them. Michael suggested using a text alert. Tonya asked Michael to provide address to add to the ordinance by next meeting. Motion was made by Ron Whitledge to approve Ordinance 2023-01, second by Kim Burnett. **Roll call:** Kim Burnett yes, Sandy Elder yes, Tonya Wester yes, Ron Whitledge yes. Motion carried.
