*Most types of commercial properties fall under the fee schedules listed here. The total cost for connection to Chandler Wastewater may be calculated by totaling the Tap Fee for the existing or proposed facility size, the

System Development Fee for the proper water meter size, and the Sewer Impact and Inspection Fees based on the property's location with regards to the Town of Chandler's Corporate Boundaries. Commercial property type exceptions are outlined in Chandler Town Ordinance No. 1992-3 and include, but are not limited to: service stations, churches, schools, trailer courts, motels, hospitals, and nursing homes.
