Chandler MS4 Stormwater Board Meeting Minutes

The Chandler MS4 Stormwater meeting was called to order at 6:00 p.m. at the Chandler Town Hall.

Roll Call, Present; Rainey, Williams, Elder and MS4 Coordinator Bell

Minutes: Motion was made by Rainey and seconded by Elder to accept the minutes from the May 28, 2024 meeting. Note: there was no meeting in June due to lack of quorum. Roll call vote: Williams yes, Rainey yes, Elder yes.

Report of the Storm Water Coordinator: Bell reported the Stormwater balance to be approximately \$173,000, the exact balance was not available at the time of the meeting. It was noted that rip rap has been installed at the park on the north side of the lake. An additional Inlet has been installed on McCool Road to help mitigate stormwater issues in that area. A new Culvert Pipe has been installed at 307 Green Valley Drive. Director Bell shared that the responsibilities of the Stormwater Run-Off and compliance of the SWPPP for the new Chandler Water Transmission Line being installed has become the responsibility of Chandler MS4. Though the actual work is being performed in Warrick County, since the project is owned by Chandler, it is our responsibility. We are talking with our attorney Josh Clayborn and discussing sinkholes on private property.

Old Business: Director Bell shared that we are moving ahead with the Wetlands that DNR has proposed and that actual property transfer would happen this fall. The new Stormwater Ordinances have been adopted by the Council.

New Business: There was discussion regarding miscellaneous Stormwater issues around town.

Elder made the motion to recess until the next meeting, August 26, 2024 and Williams seconded the motion. Motion passed.
