

# Chandler Street Department Leaf Pick-up

## ***Our Policy***

The Chandler Street Department picks up bulk leaf piles in the fall. On specific collection dates, residents should rake leaf piles to the edge of the road in front of the residence; piles should not be placed in ditches, alleys, or driveways. Leaf piles should be free of rocks, limbs, trash, and other debris. The Street Department reserves the right to refuse to pick up any bulk leaf piles which do not meet the guidelines of this policy.

## ***Leaf Map & Schedule***

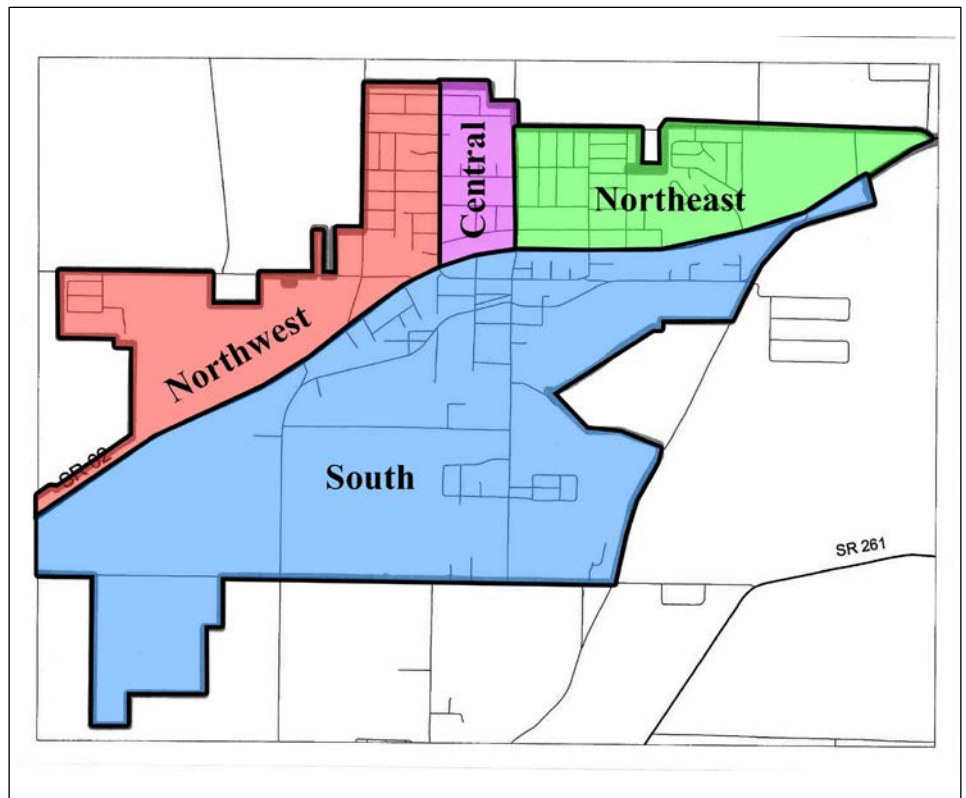

During the leaf collection program, our Street Department crew operates on the following schedule, excluding holidays:

**Mondays – South (Blue):** includes all areas south of Lincoln Avenue

**Tuesdays – Northwest (Red):** includes areas north of Lincoln Avenue and west of Iowa Street

**Wednesdays – Central (Purple):** includes areas north of Lincoln Avenue between Iowa Street and State Street

**Thursdays – Northeast (Green):** includes areas north of Lincoln Avenue and east of State Street

## ***Other Things to Know***

**Be Aware of Stormwater** – Leaf piles should be kept away from ditches and culverts to prevent blockages. Obstructed ditches are in violation of Stormwater ordinances and could result in fines. If the edge of the road adjoins a ditch, please wait to rake the leaves to the edge of the road until a day or two before your scheduled pick-up day to help prevent any possible drainage issues; if possible, try to keep the leaves out of the lowest point of the ditch. Please call the Street Department at 812-925-7145 with any questions or concerns.

**Burn Ordinance** – The Town of Chandler has an ordinance that allows the burning of leaves and small limbs under certain conditions. Please check with the Chandler Police Department at 812-925-6898 regarding restrictions of this ordinance and/or to check the status of any burn bans that may be in place.
