Chandler MS4 Stormwater Board Meeting Minutes

The Chandler MS4 Stormwater meeting was called to order at 6:00 p.m. at the Chandler Town Hall.

Pledge of Allegiance said by all.

Roll Call, Present: Williams, Mooney, and MS4 Coordinator Bell. Absent, Doug Elder

Minutes: Motion was made by Mooney and seconded by Williams to accept the minutes from the September 22, 2025 meeting. Motion passed.

Report of the Storm Water Coordinator: The Stormwater balance is \$180,945.67. Staci Goodwin from IDEM was here October 8 for an audit over MCM's 1,2,3 and 6. There was a few small request made in order to comply with IDEM, but overall the audit went well. A new information board has been installed at the park near the lake to educate citizens about Stormwater.

Old Business: There was discussion and an update on the slurry pit that is just northwest of Chandler. Coordinator Bell explained the concern for the possible failure of the dam surrounding the pit and that the county was having it monitored by Lochmueller Engineering.

New Business: Egis Engineering is working on a new SWPPP for our utilities garage. Chandler is hosting a Stormwater Workshop, presented by Burke Engineering on November 18. The topic will be IDDE. We are working on the 2026 Stormwater and plan to present it at the November meeting.

Mooney made the motion to recess until the next meeting, November 24, 2025 and Williams seconded the motion. Motion passed.

Doug Elder-Moderator

Michael Bell-Environmental Manager
